# CAPABILITY STATEMENT

## WHO ARE WE?

SWQ Training Pty Ltd was established in 2006 by owner and trainer Mat O'Shannessy. From small beginnings in Western Queensland, SWQ has grown to become an industry leader in civil, high risk, safety, and plant training across the State. Now based in Toowoomba and Roma Queensland, SWQ provides flexible training options to support and service a wide range of businesses, employers and individuals, ensuring that all students are given the best opportunity to learn and grow in whatever environment their training needs encompass. Regardless of the situation, SWQ provides training that suits.

In line with this, Mat and the team at SWQ firmly believe in and train by the company's mission:

***“quality training, confident and competent people”***

To the team, this mission means more than simply producing students with qualifications, but to also ensure all students are equipped through their training to operate safely, competently, and confidently in their workplaces. This mission drives the way SWQ performs and heightens the quality of our delivery to above industry standards.

# WHY CHOOSE SWQ TRAINING?

## QUALITY TRAINING

SWQ's strong reputation for quality training has been built on a track record of high-performance delivery and the ability to adapt to individual client needs for training and skill development. All trainers have ongoing professional development opportunities, and our courses are routinely reviewed to ensure all content is up to date, compliant and industry relevant.

## INDUSTRY RELEVANT

SWQ implements a range of strategies to ensure our training and assessment practices and resources remain relevant to the industries our students work within. Along with this, all our highly regarded trainers are selected based on the industry knowledge and experience they bring to their training. In short, SWQ aims to produce competent and confident students through superior and relevant training and trainers.

## AFFORDABLE FEES

SWQ offers competitive rates for all courses and group discounts for private courses. Construction Skills Queensland (CSQ) funding or User Choice funding may also be available, offering substantial subsidies for eligible students. Further information provided on page 6 of this document.

## NATIONALLY RECOGNISED

As a Registered Training Organisation (RTO No. 32199) SWQ delivers nationally recognised training and issues nationally recognised certifications, ensuring industry standards and quality assurance requirements are always met. All accredited courses are aligned with the Australian Qualifications Framework (AQF) and can be found on the national register, [www.training.gov.au](http://www.training.gov.au) using the relevant unit code and/or description.

## FLEXIBLE DELIVERY

SWQ provides flexible training options to cater to companies of all sizes or individuals seeking to upskill. This includes but is not limited to:

- » Face-to-face training sessions and final assessment conducted at our quality training facility in Toowoomba or Roma. Delivery length may vary dependent on client needs and level of experience.
- » Private in-house courses delivered on-site and in line with operating requirements or at one of our training facilities. Have your own equipment? SWQ can also provide alternatives to course delivery by utilising your equipment.

## WHAT WE OFFER

SWQ Training are the specialists in civil construction, safety, and high-risk training across Queensland. Our Scope currently includes:

### Safety Courses

- » **RIIWHWS202E** Enter and work in confined spaces
- » **RIIWHWS204E** Work safely at heights
- » **MSMWHS216** Operate breathing apparatus
- » **MSMWHS217** Gas test atmospheres
- » **RIIWHWS202E & MSMWHS217** Enter and work in confined spaces & Gas test atmospheres
- » **CPCWHS1001** Prepare to work safely in the construction industry (White Card)
- » **MSMPER200** Work in accordance with an issued permit
- » **Santos SWPP** Santos approved Permit to Work & Gas test atmospheres (includes MSMPER200 Work in accordance with an issued permit & MSMWHS217 Gas test atmospheres)
- » **SWNELP** Safe Working near Exposed Live Parts
- » **FWPCOT2254 & FWPCOT2256** Maintain chainsaws & Trim and cut felled trees (Level 1)
- » **FWPCOT2254, FWPCOT2256 & FWPCOT2253** Maintain chainsaws, Trim and cut felled trees & Fall trees manually (basic) (Level 2)
- » **AHCBO201** Inspect and clean machinery for plant, animal and soil material
- » **HSR** Health and Safety Representative
- » **HSR-R** Health and Safety Representative REFRESHER
- » **AHCPMG301, AHCCMH307 & AHCCMH304** Control weeds, Prepare and apply chemicals to control pest, weeds and diseases & Transport and store chemicals (Agricultural Chemicals Distribution Control)

### First Aid Courses

- » **HLTAID009** Provide cardiopulmonary resuscitation
- » **HLTAID011** Provide first aid
- » **UETTDRRF06** Perform rescue from a live LV panel
- » **UETTDRRF06 & HLTAID009** Perform rescue from a live LV panel & Provide cardiopulmonary resuscitation

### Driving & Vehicle Courses

- » **RIIVEH201E, RIIVEH305F & PMASUP236** Operate light vehicle, Operate and maintain a four wheel drive vehicle & Operate vehicles in the field
- » **AHCMOM216** Operate side by side utility vehicle
- » **AHCMOM217** Operate quad bikes
- » **AHCMOM216 & AHCMOM217** Operate side by side utility vehicle & Operate quad bikes

## Traffic Courses

- » **RIIWHS205E - Full Course** Control traffic with stop-slow bat
- » **RIIWHS205E - Refresher** Control traffic with stop-slow bat
- » **RIIWHS302E - Full Course** Implement traffic management plan
- » **RIIWHS302E - Refresher** Implement traffic management plan

## Plant & Machinery Courses

- » **RIIHAN305D** Operate a gantry or overhead crane
- » **RIIHAN301E** Operate elevating work platform (Scissor Lift - below 11 metres)
- » **TLID3035** Operate a boom type elevating work platform
- » **RIIHAN301E & TLID3035** Operate elevating work platform & Operate a boom type elevating work platform
- » **RIIHAN307E** Operate vehicle loading crane
- » **RIIHAN309F** Conduct telescopic materials handler operations (Telehandler)
- » **RIIMPO315E** Conduct tractor operations
- » **RIIMPO316E** Conduct self-propelled compactor operations
- » **RIIMPO317F** Conduct roller operations
- » **RIIMPO318F** Conduct civil construction skid steer loader operations
- » **RIIMPO319E** Conduct backhoe/loader operations
- » **RIIMPO320F** Conduct civil construction excavator operations
- » **RIIMPO321F** Conduct civil construction wheeled front end loader operations
- » **RIIMPO322E** Conduct civil construction tracked front end loader operations
- » **RIIMPO323E** Conduct civil construction dozer operations
- » **RIIMPO324F** Conduct civil construction grader operations
- » **RIIMPO325E** Conduct civil construction scraper operations

## High Risk Work Licence Work Courses

- » **TLILIC0012** Licence to operate a vehicle loading crane (capacity 10 metre tonnes and above)
- » **TLILIC0003** Licence to operate a forklift truck
- » **TLILIC0005** Licence to operate a boom-type elevating work platform (boom length 11 metres or more)
- » **TLILIC0008** Licence to operate a non-slewing mobile crane (greater than 3 tonnes capacity)
- » **TLILIC0010** Licence to operate a slewing mobile crane (up to 20 tonnes)
- » **TLILIC0013** Licence to operate a slewing mobile crane (up to 60 tonnes)
- » **TLILIC0014** Licence to operate a slewing mobile crane (up to 100 tonnes)
- » **TLILIC0015** Licence to operate a slewing mobile crane (over 100 tonnes)
- » **CPCCLDG3001** Licence to perform dogging
- » **CPCCLRG3001** Licence to perform rigging basic level
- » **CPCCLRG3002** Licence to perform rigging intermediate level

## Dangerous Goods

- » **TLILIC0001** Licence to transport dangerous goods by road

## Full Qualifications

- » **RII30820** Certificate III in Civil Construction Plant Operations
- » **RII30920** Certificate III in Civil Construction - Road Construction and Maintenance
- » **RII30920** Certificate III in Civil Construction - Pipe Laying

Mobile Safety Unit for on-site delivery options

## OUR FACILITIES & EQUIPMENT

Our easily accessible training facilities in Toowoomba and Roma house fully equipped training rooms with ample onsite parking. SWQ's all-weather purpose-built training center allows us to provide face-to-face training in a modern, comfortable, and air-conditioned environment. Our extensive training areas, facilities, and on-site equipment are specifically designed to enhance students learning experience with theoretical, hands-on realistic training.

- |  |  |  |
|--|--|--|
| » Extensive warehouse and training yards | » High quality projectors and audio-visual equipment | » Fully air-conditioned                                      |
| » 5 minutes from the CBD                 | » Modern kitchen and bathroom amenities              | » Room hire availability for daily, weekly, and monthly hire |
| » Ample on-site parking                  | » Disabled access                                    |  |
| » Free guest Wi-Fi                       |  |  |

## ONSITE DELIVERY

SWQ's strong reputation for quality training has been built on a track record of high-performance delivery and the ability to adapt to individual clients' needs for training and skill development. Our team of experienced trainers maintain site-readiness to deliver their training onsite, while ensuring our clients expectations and needs are always met. Impervious to differing site environments, our Trainers will work with groups to deliver training sessions and practical training activities that meet industry standards and quality assurance requirements.

To assist onsite delivery, SWQ has a purpose-built training trailer, the "Mobile Safety Unit", that allows us to provide a compliant simulated environment to deliver Working at Heights, Confined Space, Gas Test and Breathing Apparatus training.

SWQ also owns and trains with a mobile rigging truck with vehicle loading crane to ensure compliance with all aspects of training and assessment for the Basic Rigging High-Risk Work Licence course.

Mobile Rigging Truck for On-site delivery options

## ACCESS & EQUITY

SWQ is determined to ensure that all our training and assessment services are available upon request, and that reasonable adjustments can be made to ensure access to as many clients as possible. Our courses are designed to remove barriers from student's participation that include but are not limited to:

- » Age
- » Gender
- » Cultural or ethnic background
- » Sexuality
- » Imprisonment
- » Remote location
- » Language skills, literacy or numeracy level
- » Disability
- » Unemployment

Students are encouraged to notify SWQ upon enrolment if they believe they may require additional assistance with their training and assessment. In turn, our team at SWQ will take reasonable steps to assist all students with the completion of their training and assessment with us. This may include providing additional LLN support, additional training time, or other methods as discussed with the participant while maintaining the integrity of our assessment process.

## OUR TRACK RECORD

SWQ's strong reputation for quality training has been built on a track record of high performance delivery and the ability to adapt to individual clients' needs for training and skill development. We offer flexible training options to suit the unique requirements of our clients, including providing training outside of normal business hours.

SWQ Training has worked successfully with a range of clients, across construction, energy, oil & gas industries, including but not limited to:

- » Easternwell
- » FKG Group
- » T&W Earthmoving
- » Hutchinson's Builders
- » Energy Queensland
- » QGC
- » Santos
- » Boral
- » Wagners
- » Newlands Civil Construction
- » RoadTek

In addition, SWQ Training is a regular provider for a number of regional councils throughout Queensland, including:

- » Toowoomba Regional Council
- » Lockyer Valley Regional Council
- » Murweh Regional Council
- » Balonne Regional Council
- » Bulloo & Paroo Shire Councils

## CSQ FUNDING OPTIONS

SWQ is a proud recipient of Construction Skills Queensland Funding (CSQ). Construction Skills Queensland is an independent, not-for-profit, industryfunded body supporting employers, workers, apprentices, trainees and career seekers in the building and construction industry.

A wide range of accredited and non-accredited courses are available for enrolment with CSQ funding. Depending on the eligibility of the student, one or more (limits apply) subsidised courses may be chosen to enhance industry knowledge and upskill.

### Benefits?

- » Partially or fully funded courses
- » Enhance industry knowledge and skills
- » Improve employability and career prospects
- » Enrolment into one or more courses
- » Flexible and quality training
- » Nationally recognised and industry specific courses

### Eligibility Criteria Applies

- » Must be currently employed in a construction related role or can fulfill the requirement as an unemployed eligible worker (short courses) or career seeker (SAGT)
- » An Australian or New Zealand citizen, or permanent resident of Australia, a refugee or humanitarian visa holder
- » Permanently living in Queensland or are permanently working in Queensland
- » See [swqtraining.com.au/funding](http://swqtraining.com.au/funding) or [csq.org.au](http://csq.org.au) for more information

## SKILLS ASSURE FUNDING OPTIONS

The User Choice 2020-2021 program provides funding to eligible apprentices and trainees in Queensland, as a contribution towards the cost of their training. The program supports the delivery of accredited entry-level training for the upskilling of workers through apprenticeships and traineeships.

User Choice funding is available to apprentices and trainees who live in Queensland and have entered into a training contract for an approved qualification funded by the Department of Employment, Small Business and Training. Please contact us to discuss your eligibility in more detail.

The Qualifications in this program include:

- » RII30820 Certificate III in Civil Construction Plant Operations
- » RII30920 Certificate III in Civil Construction Pipe Laying
- » RII30920 Certificate III in Civil Construction Road Construction and Maintenance

See [swqtraining.com.au/funding](http://swqtraining.com.au/funding) or [www.training.qld.gov.au](http://www.training.qld.gov.au) for more information.

## TESTIMONIALS

*“One of the most thorough training institutions I have attended in my 10+ years of participating in construction/civil/mining industry related courses.” Anonymous*

*“I highly recommend training with SWQ. We recently engaged SWQ to undertake some training for us and we found the courses were delivered with real world experiences in mind.” Field Lead*

*“SWQ offered real industry knowledge and training. Made it very easy to understand and to be applied in the real world.” C. Benvenuti*

*“Friendly and informative staff, definitely going there for my next licence.” M Hennessy*

*“Great locally owned business and the trainer and facilities are second to none.” T Candice*

## WHERE WE ARE?

SWQ services locations throughout Queensland as required by our clients through flexible delivery options.

Our quality training facilities are located in Toowoomba and Roma, Queensland.

Come and meet our friendly staff and discuss the many training options for you and/or your employees.
